

RIDING CLINIC
“From Ground to Saddle”
April 21-23, 2017
with

Guðmundur Margeir Skúlason

Trainer Guðmundur Skúlason (Mummi) is a licensed riding instructor and member of the *Trainers Association of Iceland* (FT). He is a graduate of Hólar University College in Iceland with a degree in Equine Studies. Mummi is in high demand as a riding instructor in Iceland, throughout Europe and in the United States. He regularly teaches in Denmark and Sweden where he is prized as a clinician for all riders. He places emphasis on training methods which encourage the horse to cooperate willingly in a soft and sensible manner. Mummi teaches the rider and horse to work in harmony, with the flexibility and softness which are an integral part of his own riding. Mummi continues to be very active in competition and has won numerous prizes in various disciplines of equine sports in Iceland.
